EXPERIENCE

FULL-STACK SOFTWARE DEVELOPER INTERN

Alliance Software Inc.

January 29, 2024 - May 10, 2024

- Assisted in maintaining a web based application by supporting bug reports and testing the system.
- Conducted analysis to determine client needs and proposed solutions to meet them. Created assessments such as function lists and estimating their implementation efforts.
- Utilized Azure DevOps to manage GIT pull requests and conducted code reviews with senior team members.

EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

Cebu Institute of Technology
University

2020 - 2024

PROJECTS

WELLTALK

Capstone and Research

A web and mobile application designed for guidance counselors and students. It streamlines appointment scheduling, student data management, and provides a platform for students to track progress, express feelings, and create appointments with counselors.
